

Plans for 2011

Linda Wilson, Associate Grand Matron

Bill George, Associate Grand Patron

The Symbol

**The Treasure Chest
with a Teddy Bear, guarding all your treasures**

The Colors

All colors are from the palette that is used to paint
God's perfect masterpiece of the great outdoors :

- ? **Blue** – all shades of blue are found in the skies of early morning to late night. The lightest of blue of the early morning sky is represented by the Aquamarine, which is the March birthstone of Linda, the Associate Grand Matron. The medium blue of the noontime sky is represented by the Blue Topaz, which is the December birthstone of Bro. Bill, husband and escort to the Associate Grand Matron. The deepest of blue of the night sky is represented by the Sapphire, which is the September birthstone of Linda's mom, Sis. Wilma Ward, and that of Sis. Karen, wife and escort to the Associate Grand Patron.
- ? **Purple** – the grape purple is found in the flowers and budding trees, and is seen in the depths of our waterways and oceans and sometimes in the skies above. It is represented by the Amethyst, which is the February birthstone of Linda's dad, Bro. Milford Ward, and her mother-in-law, Roberta Wilson.
- ? **Green** – the medium green is seen in the grasses in our yards and fields, the leaves of the trees and foliage of our plants. It is represented by the Peridot, which is the August birthstone of Mike, Linda & Bill's only son.
- ? **Pink** – the rose pink is found in the springtime blossoms of the trees and the beautiful flowers that bloom all year. The beauty of a setting sun often is laced with pink. As the pink deepens into a red hue, it is represented by the Ruby, which is the July birthstone of Bro. Bill, the Associate Grand Patron. Also, pink was chosen because Linda likes it.
- ? **Gold and Silver accents** – the gold is seen in the golden sun, which is a source of heat and light, and promotes good health, and the silver is seen in the skies at night in the twinkling stars.

The Flowers

| | |
|------------|----------------|
| Roses | Violets |
| Daisies | Chrysanthemums |
| Carnations | Dogwood |
